Subject: West County Road 112 Site, Midland, TX

Susan called 11:30 AM and asked if you would please put Susan, Pam and Vince on Sam's calendar tomorrow at the earliest you have and not after 10:00 AM if he has an opening. An Issue came up with this site and Pam said it is important to get on Sam's Calendar if possible as early as possible.

Susan asked that you e-mail her back with what you can do for them. IMPORTANT
